

The Saudi International Exhibition for Disability and Rehabilitation Requirements 2023

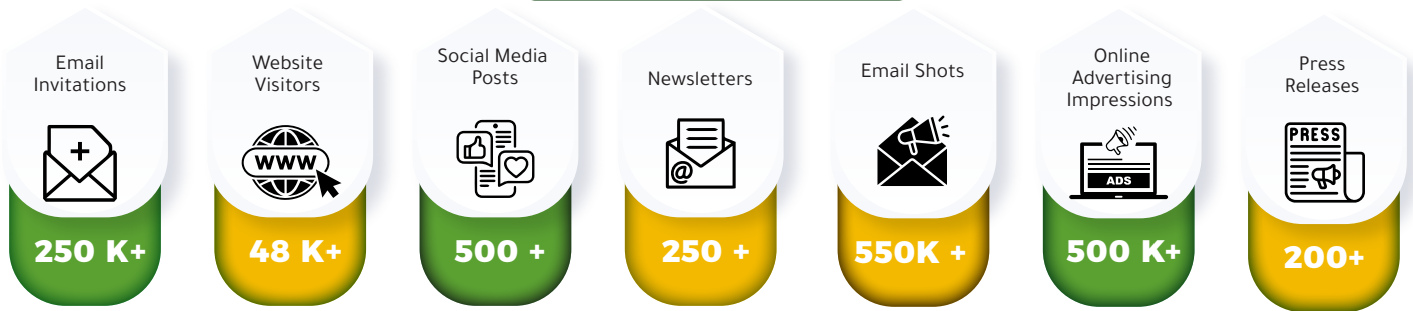

13-15 Mar 2023

Riyadh International Convention & Exhibition Center

Post-show 2023

We organized the Saudi International Exhibition for Disability and Rehabilitation Requirements 2023 in the Kingdom of Saudi Arabia, which offered a significant opportunity to empower individuals with disabilities in society. The exhibition showcased cutting-edge technologies that affirmed the possibility of treating and curing disabilities effectively, thus helping individuals overcome various life obstacles through creative methods and suitable rehabilitation equipment.
